ICS Milan

Are you an innovative and committed Maths Teacher seeking a new opportunity? If so, you could be part of our team.

Job overview

You'll be delivering core aspects of the Mathematics curriculum, leading and implementing outstanding teaching practices to instil key knowledge within learners and using assessment and feedback to sustain and raise achievement.

The right candidate will have:

- Qualified Teacher Status or equivalent qualification
- Relevant specialist qualifications and experience (e.g BSc in Mathematics or related degree)
- Ability to deliver high-quality Mathematics lessons covering a range of modules and concepts
- A good understanding of curriculum and assessment requirements for Mathematics
- Enthusiasm and commitment to delivering high-quality teaching and learning to ensure all learners progress and achieve to a high standard in preparation for examinations

Why join us?

At ICS Milan, you'll be working alongside a passionate team, and will have the ability to help shape teaching and learning standards and make a real difference. You will have opportunities for professional development and growth.

Safeguarding Statement:

ICS Milan is committed to safeguarding and promoting the welfare of children, young people and vulnerable adults and expects all staff and volunteers to share this commitment. We particularly welcome applications from under represented groups including ethnicity, gender, transgender, age, disability, sexual orientation or religion.
